SEQUOIA WEBSITE

Thanks to one of our parents, our website is updated on a regular basis. Please go take a look. The website is sequoia.scusd.edu.

COMMUNITY WATCH

We need your help! Most vandalism occurs on school sites during winter and spring breaks. Over the holidays, as you drive by our school property please keep a watchful eye out for suspicious behavior and report any to the Sacramento Sheriff's Department: Emergency- 911; non emergency- 874-5115.

DRESS CODE SAFETY AND REMINDERS

Every winter the staff struggles to make sure your children are wearing their coats and jackets, and we ask how they can be wearing shorts! Please help us by putting your child's initials or name in their clothing, we absolutely know that MANY will be lost because they take them off at recess when they are playing and leave them. Also, we HIGHLY encourage you to have your children wear pants in January and February. We cannot say that all illnesses are related to being cold, but we know that it is better to be warm, just in case. Attendance at school is most important for student learning, but we also receive funding based on student attendance, so that is another huge incentive for staff to talk to kiddos about what they are wearing.

MAD SCIENCE

On January 18th, Mad Science will be here to show the students a science experiment at lunch. That day or the following day sign-ups will come home. If your child is interested, the classes will start a couple weeks later after school. Please check it out!

KINDERGARTEN ENROLLMENT

Kindergarten registration for the 2017/2018 school year begins Tuesday, January 17th. Students registering must be 5 by September 1, 2017. Registration will be accepted at the Sacramento City Unified School District Enrollment Center. The Enrollment Center is located at 5601 47th Ave, Sacramento, 95824. The number for the Enrollment center is 643-2400, if you have any questions.

ATTENTION 6TH GRADE FAMILIES

Sly Park is February 6th through 10th. Please be sure to have all money turned in by Tuesday, January 17th.

AFTER SCHOOL SPORTS WITH ONE-ON-ONE

For a few years we have had a program after school to learn skills in volleyball, basketball, flag football. There is a fee for each class, for each sport. Please look for those sign-ups to come home if you are interested. We will also be getting out information about Runnin' for Rhett to begin in February.

E-WASTE AT SEQUOIA

Do you have old or unused electronics taking up space? We will be hosting a FREE e-waste fundraiser on Saturday, February 18th from 9 am-1 pm to benefit Sequoia technology. Please consider supporting this event, as the proceeds will go toward 38 Google Chrome tablets, allowing every student in each class access. Make sure you save those electronics that will be replaced over the Winter Break! We appreciate your help. More information and details to follow.
