TESTING FOR GRADES 3-6

All students will be taking the state-wide tests called SBAC between mid-April and end of May. Each class has testing for 4-6 days, for a couple hours each day. Your child's teacher can share when his/her class will have their specific testing days. Tests (with the exception of 5th grade science) are given on a computer. Please do your best to help your child get enough sleep and eat breakfast each day, especially during testing.
